Re: Your Public Record Request Received on 10/17/2019

Dear Mr. Amarel,

This letter is in response to your request for records under the California Public Records Act received on 10/17/2019 via mail, making the following request:

*"All emails sent to, from, or copied to Kamala Harris, from January 8, 2004 to January 3, 2011 containing any of the following non-case-sensitive key-strings: "Jamal Trulove""*

Please see the response to your request below:

Under the Public Records Act and the Sunshine Ordinance, a "public record" is broadly defined to include "any writing containing information relating to the conduct of the public's business prepared, owned, used or retained by any state or local agency, regardless of the physical form or characteristics." (Govt. Code §6252(e)). If the department has no records responsive to the specific request, the department has no duty to create or recreate one.

Following a reasonable search, our office was unable to find responsive records.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Alex Bastian  
Deputy Chief of Staff
